

Hello Bruin Families!

We are excited to kick off the 2019-20 athletic year at Rock Bridge High School and welcome all families and students participating in our athletic programs. Participation in athletics is an excellent way to form lifelong friendships and prepare for college and career by developing skills such as time management and healthy habits.

Participation in athletics at Rock Bridge encourages grit and determination and requires a healthy amount of paperwork. In addition to the many changes you have seen across the school district and here at Rock Bridge, we are excited to introduce a new and easier process, for completing required health and participation documents, called PRIVIT. PRIVIT replaces paper-based forms and allows for the electronic submission and management of health and participation information, all via your home computer or smart phone. For your peace of mind, PRIVIT complies with international privacy laws including HIPAA and COPPA, ensuring your student's information is secure.

By using PRIVIT to manage our student athletes' health history information and participation documents, the biggest benefit will become apparent in subsequent years because you would only have to update the information in PRIVIT rather than completing paper documents again and again.

Attached please find a document to assist you with establishing your account. To get started and register for an account, go to the PRIVIT site for Rock Bridge HS: <https://rockbridgebruins.e-ppe.com/index.jspa>

[Click here](#) for step by step instructions explaining how to access PRIVIT.

If you have any questions regarding PRIVIT, please contact Edith Stevens, RBHS Athletics Secretary, at 573-214-3118 or edstevens@cpsk12.org or the PRIVIT Help Center at 844-234-4357, Monday-Friday 8AM – 5PM EST. After hours or on weekends, please direct your questions or request to the Help Desk by clicking on this link and sending an email. Emails are answered promptly often during the evening or the weekend, but always the next business morning.

We thank you in advance for your patience as we strive to streamline document collection and save a few thousand trees.

Go Bruin Nation!
